+ Description

"This 4km loop along a partly preserved medieval path leads to the Château de Salm, nestled in a stunning green haven. It was built at the turn of the 12th and 13th century by Count Henri III de Salm (circa 1205/1225) and watched over the Bruche Valley until the late 15th century. It was destroyed during the so-called Burgundy War (1474-1477) between the dukes of Burgundy and Lorraine.

Les Veilleurs de Salm Association has been working to revive the history-packed ruins since 2004..."
