+ Description

The Brasserie du Vignoble is one of the first microbreweries in Alsace, producing beer by hand since 1998.

In the heart of the Alsatian vineyards, it opens its doors to you and lets you discover its production by sharing its passion for beer.

Barbecue, tarts flambées and a "guinguette" atmosphere are guaranteed to make you spend a good time in the Biergarten at the foot of the vineyards!

Tours of the brewery with explanations and tastings are also available on reservation.
