**Route du golf  
68770 Ammerschwih**

## + Description

The Ammerschwih/ Trois-Epis mountain golf offers a discovery pack open to all and without a reservation.

After this sport initiation, a picnic stop on the way back offers you a well-deserved break.

If you're feeling more sportly, you can climb up to the Galtz, Alsace's Corcovado, for a panoramic view.

Please respect the nature, bring back your waste.
