+ Description

Enjoy a charming walk adapted to strollers and wheelchairs for people with reduced mobility in the village of Plaine. This 3 km walk allows you to discover one of the most beautiful picturesque landscapes of the Bruche valley. You can walk along the well-maintained paths and lanes at the foot of the hill of Plaine which culminates at 878 m of altitude. Enjoy the fresh air and the quietness of this walk while admiring the typical Vosges houses and the beautiful chalets. An ideal itinerary for an outdoor excursion accessible to all.
