67110 Reichshoffen

+ Description

This church St-Michel, which was constructed in 1772 and is classified as a historic monument, houses several pieces of registered furniture that make it a unique and very interesting place to visit. Its imposing belltower rises 68,9 m above the old town.

The Europe Chime composed of 30 bells, plays religious tunes at 11:57 am and 8:02 pm, "l'air des Cuirassiers" at 2:32pm and 6:01 pm, and the European anthem at 5:02 pm.
