+ Description

A goat farm in the heart of the Alsatian plain!

Carole and Michael will be delighted to welcome you to discover their 60 goats, billy goats, pigs, donkeys and other birds.

You'll be able to feed the animals or watch them being milked, and learn about new technologies as well as traditional farming methods.

In their shop, you'll find goat's cheese made from ladled raw milk, as well as many other local products.
