+ Description

Trace Verte proposes a wide choice of activities to discover Alsace and the Vosges. In summer or in winter, accompanied or alone, the team of Trace Verte helps you to discover a rich and surprising region.

Our activities:

Mountain biking, geocaching with GPS, hikes, nordic walking, snowshoes walks, snowscoot, nights in an igloo, orientation races, treasure hunts, pedestrian rallies, vans. Nordic walking practice is a source of well-being and health.
