+ Description

The former county of Ban de la Roche consists of eight villages and five hamlets. It is a land rich in legends, exquisite landscapes and filled in particular with traces of the work of Pastor J.F. Oberlin. The trail takes in 2 farmhouse restaurants (reservation required) on the hills of Ban de la Roche, giving pride of place to local ingredients. Combining nature, history and gourmet treats, this open-air trip will bring new life to your legs and your taste buds.
