+ Description

From the Princes of Salm to the Counts of Ban de la Roche, this is the programme for your route! Discover the peaceful pastures of the ancient principality before climbing the rocky slopes of the lands of La Roche. A stopover at the end of the route will allow you to discover the small pond at La Falle, a gentle interlude in these green forests. The return journey to Schirmeck is a leisurely one, following the Bruche along the valley cycle route.
