+ Description

The De-ci De-là vocal ensemble presents a musical ballad on the theme of courtly love.

Il y a longtemps que je t'aime, jamais je t'oublierai. Is there a more universal, rich and complex theme in music than "Love", that profound feeling that preoccupies us all? Through these popular songs of the Renaissance (but not only...), the vocal ensemble De-ci De-là explores this theme, with laments, ballads, jibes and serenades.

Passereau, Janequin, Lassus, Sermisy, Hahn, Poulenc and many others will be performed by this Strasbourg-based choir of some forty choristers.
