## + Description

For Christmas 2024, Nicole Buck goes off the beaten track. "Rêves d'ailleurs", a short-lived exhibition which opened in Obernai on November 16, offers a refuge from the winter chill. Between painting, sculpture, ceramics and photography, Nicole Buck offers a varied itinerary in a space dedicated to contemporary art.

For the past 40 years, Nicole Buck has been constantly searching for meaning, emotion and pleasure in the artists she presents. Between avant-garde choices and unexpected collaborations, her universe offers you a true adventure in art.

Exhibition open Thursday to Sunday, 2.30 pm to 7 pm, and daily 11 am to 8 pm during the Christmas market.
