2 rue de l'école
Maison de la Manufacture d'Armes Blanches
67530 Klingenthal

+ Description

Come and see the forge at the Maison de la Manufacture d'Armes Blanches du Klingenthal in action. It's a great way to discover the skills of the former workers of the "Vallée des Lames", to learn more about steel refining and the manufacture of blades and scabbard fittings. Throughout the afternoon, visitors will be able to watch a scabbard sting, a saber blade, etc. being made.
